TERM 2 ISSUE 4

25 June 2021

*Hughes Primary School acknowledges the Ngunnawal People, the traditional owners and custodians of this land.*

## Principal's Message

Dear Hughes PS families,

**From the Board:** Please take the time to read the board report from our school board chair, Tony Cox, following my principal report.

### School holiday travel and COVID-19:

As we head into the school holidays, it is important to note the ACT Government has updated travel directions for people considering travelling to COVID-19 affected areas of New South Wales. The ACT Government advises people should not be travelling between Greater Sydney and the ACT at this time. If you must travel for essential reasons, you must abide by all public health directions in place in NSW and the ACT. This includes changing travel plans and adhering to public health instructions upon your return. At 4.00pm Wednesday 23 June, the ACT Government introduced a new 'stay-at-home' requirement for anyone who leaves the following seven Local Government Areas of Greater Sydney and enters the ACT – City of Sydney, Waverley, Randwick, Canada Bay, Inner West, Bayside and Woollahra.

These requirements will remain in place for at least one week, until 11.59pm Wednesday 30 June 2021. ACT Health will continue to monitor the situation very closely and put in place further directions if required in order to keep our community safe. Further information on these requirements is available on the [COVID-19 website](#).

### ACT Cross Country Carnival:

Congratulations to Archer, Aria and Zavi who represented Hughes PS at the ACT cross country carnival at Stromlo Forest Park last week. Archer came 36<sup>th</sup> in his age group, Aria came 20<sup>th</sup> and Zavi came 9<sup>th</sup>. Zavi would have qualified for nationals but due to COVID19, won't be held this year. We are so incredibly proud of Archer, Aria and Zavi!

On behalf of all staff, have a **wonderful school holiday break** and we will see everyone back rested and rejuvenated for the **start of Term 3 on Monday 12 July**.

Warm regards,

Nina McCabe, Principal

**Term 2 Week 10 Newsletter****School Board Chair Report****23 June 2021**

Dear Hughes Primary School Community,

It is my great privilege to introduce myself as the new School Board Chairperson. This being my first report to you all, I'd like to begin by saying what a pleasure it is to be involved with Nina and the other members of the Board, but also to be a member of the Hughes Primary Community. Thank you all for all that you do for your children, each other, the teachers and all involved in the school. We have a wonderful community and one that clearly cares. As Board Chairperson, I look forward to playing my part in ensuring that the Board serves the school, the Principal and the broader community by focusing on strategic issues and activities into the future.

To date this year the Board has met twice. As part of these meetings we attend to the school finances including the Directorate wide mandated change of practice for all schools from using MAZE to Sentral Finance and Xero. An enormous amount of work has been undertaken by Gaye and Karen in attending training on the change and use of the new system. Other finance related activities discussed have included the highly successful Slime Spectacular, plans for the construction of the multipurpose courts and voluntary contributions.

Other agenda items have included discussion around reporting, assessment, curriculum, communication, staffing and inclusivity practices. A draft Reconciliation Action Plan was shared at our most recent meeting. An enormous amount of time and effort has gone into the development of this document. Currently it is still in the development phase but personally I am excited about the work being undertaken in this area at Hughes Primary.

We are extremely fortunate at Hughes to have teachers and executive staff lead by Nina as Principal who are dedicated, caring, highly professional and approachable. Teachers are very happy to speak with parents and carers and welcome communication with them as is required from time to time. If you have the need or desire to communicate with a teacher, member of the Executive or Nina they are all happy to help. Please remember if you wish to meet with a teacher, seeking a mutually agreed upon time is courtesy.

The school utilises a wide array of communication strategies. Information can be found in the newsletter and is constantly updated on Seesaw. As Board Chair, I encourage you all to communicate with myself and/or the other members of the Board, but request please if you can, to use the Board email: [hughesboard01@gmail.com](mailto:hughesboard01@gmail.com). We are a friendly bunch and can of course be contacted in person especially if you see us in school. Use of the email however, ensures that we can follow up, keep on top of communication and enables us to provide you with the respect that you deserve by way of providing considered and appropriate responses which is something we can't guarantee if we are at school picking up or dropping off the kids. Please note that not all matters are Board matters. Having said that, we are more than happy to help direct your concerns to the most appropriate person/s to help address your questions, concerns and comments.

Board reports such as this will be included in the final newsletter of each term, and I will be attending at least one P&C meeting each term commencing next term. We are committed to ensuring that we are in touch with our community and look forward to forging strong partnerships with the P&C and all stakeholders at Hughes Primary.

I wish you all a safe, happy and enjoyable term break and look forward to what promises to be an exciting Term 3.

Cheers,

Tony Cox

Have you applied for a Respite Effect and Recovery Grant yet?

Are you a person with disability, or a family carer? Have you experienced increased financial pressures, a loss of regular activities, and/or increased social isolation as a result of COVID-19?

The ACT COVID-19 Disability Strategy is offering Respite Effect and Recovery Grants that provide financial support as a one-off payment, of up to \$500, to adults and children with disability and their family carers. These Grants provide the opportunity for families of people with disability to reduce the impact of COVID-19 and to assist with community recovery.

Already under this program 195 applications have been approved to a total of \$96,625. This funding has supported people with disability and their families to reduce the impact of COVID-19 by providing help for things like paying bills, spending a weekend away, or purchasing technology that increases their connection to friends and family.

The Respite Effect and Recovery Grants are open right now and have just received an extra \$50,000 in ACT Government funding. Applications close when funding is exhausted, and will be processed on a first-in, first served-basis – so apply today!

For more information and to apply for assistance, visit a participating organisation, or see the Respite Effect and Recovery Grant Program Guidelines.

### **Office for Mental Health and Wellbeing naming competition – youth mental health navigation portal**

The ACT Government's Office for Mental Health and Wellbeing is asking all ACT primary and secondary students to help them name a dedicated youth mental health online portal.

The portal is being developed for children and young people to help navigate Canberra's mental health system and supports. It's also available to help parents, carers and service providers link up with existing services and supports.

The ACT Government is running a naming competition and wants to hear from students – to enter they just need to send a suggested name and a few words about why they chose it. Email entries to [OfficeForMHW@act.gov.au](mailto:OfficeForMHW@act.gov.au) by 30 June 2021.

The winning entry will be chosen by the ACT Youth Advisory Committee.

You can also email the Office for more information about the portal. Please see link below:
